

SPECIAL AWS AWARDS

DRESSAGE HORSE OF THE YEAR (DHOY)

A minimum of (10) horses to qualify. Usually AWS DHOY awards are separated by lower and upper levels, depending on the number of entries.

AWS STALLION OF THE YEAR (SOY)

SOY may be determined by AWS inspection scores or by performance scores. Min of 3 of REGISTERED AWS offspring representing the said AWS stallion with highest scores/level. Please note: offspring may only qualify stallion for one year.

AWS MARE OF THE YEAR (MOY)

MOY may be determined by AWS inspection scores or by performance scores. Min of 3 of REGISTERED AWS offspring representing the said AWS mare with highest scores/level. Please note: offspring may only qualify mare for one year.

AWS BREEDER OF THE YEAR (BOY)

Breeder of said registered AWS stallion or mare with min. of 3 registered AWS offspring. BOY may be determined with inspection or performance scores/level. Please note; offspring may only qualify breeder for one year.

AWS INSPECTION OF THE YEAR (IOY)

The Inspection must exhibit all categories of EXCELLENCE: highly functional site, exceptional organizer, successful number of participants, and good evaluations from participants and inspector about the organizer, etc. Please note there may not be one every year.

LOCAL SHOW & COMPETITION AWARDS

Local awards are a membership benefit and available to registered horses and AWS members.

The American Warmblood Society offers a AWS Champion Ribbon to the top scoring horse of the show at local USEF/USDF/USEA recognized shows. ALL AWS Members may receive local AWS award ribbon as a membership benefit. It is not required to be in the national awards program or be a current AWS member. One AWS Champion Ribbon will be awarded at the end of the show/competition. View participating shows and requirements on our website; americanwarmblood.org local and national awards program.

Requirements

A show organizer or responsible party may request in writing a championship ribbon to be awarded at a specific show/competition and be the contact/responsible party. Please email or mail AWS a request in writing 60-90 days previous to the show. Please provide the show name, date(s) city, state, with a contact person's name with email and phone number. It is requested that the announcement be placed in the show program. These shows will be listed on our website; americanwarmblood.org under calendar of events or awards page.

Members are required to enclose copies of their AWS Membership Card and AWS Horse registration certificate with the show/competition entry form for the horse to be awarded. The member is responsible to have these documents verified with show management at the start of the show in order to be awarded.

AWS INSPECTION AWARDS

All AWS Local and Year End Inspection awards are included with the entry fee for the AWS inspection of an AWS registered horse.

Local Inspection Awards

Local awards are presented to AWS registered horses at the end of the inspection. The Gold, Silver, and Bronze local 1-1/2" medals are presented to the top three scoring horses/ponies, regardless of age. Ribbons are also presented according to the earned AWS designations, which are: White Certified, Red Preferred, Blue Preferred or Supreme ribbon. The earned Red Preferred, Blue Preferred or Supreme designation will also be stamped on the horse's or pony's Certificate of Registration.

National Inspection Awards

The year-end AWS Inspection 2" medals are determined using the Inspection scores for that given year. The Year-End medals are Gold, Silver and Bronze 2" medals and are presented to the top three scoring registered/recorded horses/ponies in each of the qualified divisions. First through fifth award certificates are also awarded in all AWS award divisions. A Special award is given to the highest scoring "Inspection Horse of the Year".

AWS NATIONAL SPORT AWARDS

All owners/riders of AWS registered or recorded horses/ponies may enroll in the optional annual or lifetime AWS National Awards program. To be eligible for NATIONAL AWS awards, the owner must be a current AWS member and the horses/ponies enrolled in either the current annual or lifetime awards. An annual or lifetime membership/award card will be issued to the owner and will list the horse or pony in the awards program and will qualify the horse for all awards. Junior and/or non-owner rider membership is required at a discounted membership fee.

AWS National Sport Awards are offered for the USDF Year-End All-Breeds Awards, USEA Year-End Eventing Awards, USEF Year-End Jumping Awards, USEF Hunter Awards, and ADS recognized Year-End Combined Driving Awards.

Please Note: All specific awards requirements for the sports are listed on our website; americanwarmblood.org>local and national awards program

Dressage (USDF) All-Breeds & AWS Awards

All USDF & AWS Dressage award scores are calculated through the USDF. Horses and owners must have satisfied the AWS National awards requirements and USDF All-Breeds awards requirements. They must be registered with USDF and declare their horses/ponies breed as AWS with USDF to qualify for both sets of USDF and AWS awards in the divisions designated by AWS.

The following awards are available through USDF and AWS under the dressage divisions of Open, Materiale, Freestyle, Vintage, Adult Amateur, Junior/Young Rider and Dressage Sport Horse In-hand (DSHB).

The USDF (Dressage) All-Breed Year-End 1st and 2nd place medals with certificates. AWS National Dressage 1st-3rd Gold, Silver and Bronze 2" medals with certificates through 5th place.

All requirements coincide with USDF requirements. All divisions will be re-evaluated each year depending upon the participation in each division.

Note: Check with the AWS, USDF All-breeds award.

2014 1st place Materiale (74.400)
2014 1st place DSHB 3, 4, 5 Year old colts & stallions

AWS Elite Approved Breeding stallion

AWS National Eventing Awards

Gold, Silver and Bronze 2" medals are given to the top three horses/ponies as well as the first through fifth award certificates. A Special award is given to the highest scoring "Eventing Horse of the Year" with a minimum of (10) horses) to qualify.

AWS National Show Jumping and Hunter Awards

Gold, Silver and Bronze 2" medals are given to the top three horses/ponies in every AWS award division, as well as the first through fifth award certificates. A special award is given to the "Show Jumping Horse of the Year" with a minimum of (10) horses) to qualify.

AWS National Combined Driving Awards

The Gold, Silver and Bronze 2" medals are awarded to the top scoring horses/ponies as well as first through fifth award certificates in all AWS award divisions.
